ENGAGE CONNECT

ENGAGE

The ultimate educational package, combining the strengths of Engage Educate and Engage Learner to provide a fully integrated learning experience.

Designed to support both in-classroom teaching and self-directed student learning, Engage Connect grants full access to Engage's extensive content, tools, and features, including programmes, workshops, Student Toolkits, and the Learner Management Hub.

With Engage Connect, educators have everything needed to inspire students, facilitate independent learning, and track progress - all in one comprehensive package.

KEY BENEFITS

Engage Connect equips educators with versatile tools to enhance teaching and student learning. Combining structured classroom support with self-directed resources, it offers flexibility, engagement, and measurable progress.

Comprehensive learning tools

Gain full access to Engage's programmes, workshops, and student toolkits, ensuring educators have all the resources they need for impactful teaching and autonomous student learning.

Flexible delivery options

Educators can deliver lessons face-to-face in the classroom or assign Student Toolkits for self-directed learning, allowing students to progress at their own pace.

Robust support for educators

The Learner Management Hub and training resources provide educators with tools to track progress, evidence learning, enhance teaching skills, and regain control over workload management.

Measurable outcomes

Pre- and post-evaluations for every toolkit, programme and workshop allow educators to track student progress, while certificates of completion recognise and celebrate student achievements.

OUR VALUES

At Cosmos, we're committed to helping educators deliver impactful educational experiences that support students in making their ambitions a reality.

Here are the key values that inform our work.

EDUCATIONAL EQUITY

We believe every student deserves access to life skills education and the opportunity to achieve – regardless of their background.

QUALITY AND RELEVANCE

A commitment to providing content that meets the highest standards and addresses the day-to-day needs of educators and young people.

COLLABORATION WITH EDUCATORS

Cosmos partners with educators to adapt and expand content to meet the evolving needs of students.

ALIGNMENT WITH EDUCATIONAL STANDARDS

Our content adheres to key educational frameworks (PSHE, Gatsby Benchmarks, NERUPI) to support students' academic and personal goals.

STUDENT-FOCUSED APPROACH

We prioritise the needs of students so that our content builds the skills, resilience, confidence and future-focused mindset to achieve their aspirations, in an engaging learning environment.

Empower your students to unlock their full potential with Engage Connect.
