ENGAGE LEARNER

Transforming Outcomes for Young Learners

ENGAGE

Engage Learner is a dynamic educational solution designed to inspire and empower young learners through engaging, memorable content and innovative learning tools.

This package equips educators with interactive, gamified Student Toolkits, enabling students to take control of their own learning journey. Designed for flexibility and self-direction, Engage Learner fosters independence, confidence, and deeper engagement in education.

KEY BENEFITS

Self-directed learning

Engage Learner empowers students to take charge of their own education, building essential academic and life skills independently, both in and out of the classroom.

Engaging content

Interactive and gamified elements keep students motivated and excited to learn, ensuring better retention and enthusiasm for learning.

Measurable Progress & Certification

Built-in pre- and post-evaluations track student progress and provide valuable insights. Analytics and reporting tools enable educators to evidence to key stakeholders. Completion certificates celebrate achievements and encourage continued learning.

Flexible educational tools

Educators can assign student toolkits, track progress, run reports, and manage cohorts efficiently through Engage's Learner Management Hub, freeing up valuable teaching time!

OUR VALUES

At Cosmos, we're committed to helping educators deliver impactful educational experiences that support students in making their ambitions a reality.

Here are the key values that inform our work.

EDUCATIONAL EQUITY

We believe every student deserves access to life skills education and the opportunity to achieve – regardless of their background.

QUALITY AND RELEVANCE

A commitment to providing content that meets the highest standards and addresses the day-to-day needs of educators and young people.

COLLABORATION WITH EDUCATORS

Cosmos partners with educators to adapt and expand Engage content to meet the evolving needs of students.

ALIGNMENT WITH EDUCATIONAL STANDARDS

Our content adheres to key educational frameworks (PSHE, Gatsby Benchmarks, NERUPI) to support students' academic and personal goals.

STUDENT-FOCUSED APPROACH

We prioritise the needs of students so that our content builds the skills, resilience, confidence and future-focused mindset to achieve their aspirations, in an engaging learning environment.
